LAST CALL

**DON'T SAY WE
DIDN'T WARN YOU**

The year 2023 marks the end of the HEMI® V8 era on Challenger and Charger models. An ode to some of the most influential Challenger models of recent years, Last Call offers you the chance to own a modern piece of muscle car history. Experience the heritage and discover one of three special editions that take to the streets in the same style as their ancestors.

// DODGE CHALLENGER SCAT PACK

Challenger is muscle in its leanest, meanest form made of horsepower and torque. Its throwback styling hails from the storied 1971 model, melding retro styling with fierce attitude. It starts with a heritage split-grille surround, a power-bulge hood with functional inlets, and menacing projector headlamps. Slide in behind the steering wheel and enjoy the interior that is designed around the most important element: the driver. The heritage-inspired interior is finely crafted and loaded with technology to put you in control. Technology that makes muscle cars stronger and cars that offer entertainment choices even more epic.

Dodge Brand vehicles are created for performance, and the Dodge Charger carries on that lineage. From heart-pounding power to unexpected efficiency, America's only four-door muscle car is one unforgettable ride. Charger is a retro-modern marvel with a low, lean profile, scalloped bodyside and an imposing grille. It features spacious seating for five providing the ultimate in high-performance comfort and road-ready confidence. Furthermore, loaded with cutting-edge infotainment technology that keeps you connected.

With Dodge Durango, you get amazing power and an outstanding towing capacity. With a muscular design and refined styling, the king of SUVs owns the road. Stake your claim with a signature LED racetrack taillamp, LED daytime running lamps and 9 available exterior colors. The Dodge Durango is rugged enough to handle nearly any adventure you seek. It's also refined enough to make that search a comfortable one with features like the available leather-trimmed interior appointments and a full-size punch with state-of-the-art features that could make any home entertainment system jealous. In the picture Durango R/T Hemi Orange.
